

CAPTAIN E. W. PARKINS JOINS AUGUSTA FACULTY

Captain E. W. Parkins, who has recently completed his terminal leave from the Army, is now a member of the A.M.A. faculty. Captain Parkins entered the army in September of '41, and thereupon was sent to Fort Belvoir O. C. S. where he received his commission in the Engineers. In November '44 he returned from North Africa where he served with the 649 Topographical Battalion. After a 21 day leave, he was sent to Oahu in the Hawaiian Islands with the 30 Topographical Battalion. In November '45 he was sent back to the States on the point system and discharged. Captain Parkins attended Augusta in 1935 and also attended V.P.I. for three years. He is assigned to the Executive office here at A.M.A.

PHOTOGRAPHY TO START SOON

A photography club is soon to be organized under the supervision of Major Hoover. Since the facilities of the darkroom have been greatly improved, much printing and developing as well as enlarging can be done. Members of the club will have the use of the dark-room at their disposal and the equipment thereof. Anyone who is interested in forming a photography club, report to room 201 and give your name to Cadet Moerschell.

DR. E. HOYT PALMER ADDRESS CORPS

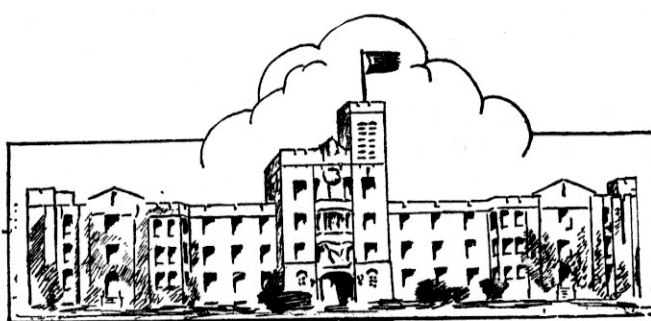

Dr. Hoyt Palmer, executive secretary of the National Prep School Y. M. C. A., spoke at a special meeting of the Cadet Corps in the Big Room a short while ago. Dr. Palmer was the director of the Y.M.C.A. meeting at Natural Bridge, Va. last month. His topic "Looking Ahead to Our Future in View of International Affairs." His talk was very interesting and enlightening. It was enjoyed by all who were present.

THIRD ANNUAL PIN-UP QUEEN CONTEST NOW STARTED

This Year to be Most Extensive Ever Planned

Departing from the regular grind of everyday life at Augusta, scholastics, Government Inspection, and the like, we are going to attempt to prove the eternal question, "Whose girl is prettier, yours or mine?" In order to give everyone an equal chance in this contest, all entries must be in the hands of the staff by the 22nd of March. The picture must be a full length snapshot (no posed portraits) of your girl, who must be at least fifteen years and seven months old, or a graduate of high school. She must be in her last year of high school, or in a finishing school. Girls who are in schools such as Stuart Hall, Fairfax, Mary Baldwin, and the like are preferred. Girls from all over the United States are eligible, so if your girl fits these requirements, write her special delivery for a picture tonight.

The Cadet Corps will vote secretly, and the winner will be invited to attend a special dance held in her honor, along with a Dress Parade in which she will revue the Battalion and many other honors. If she lives within a radius of 500 miles, all her expenses will be paid for by THE BAYONET. She will stay at a residence on the campus, and be crowned queen of the dance. There will also be a surprise gift presented to her by the Cadet Corps.

Come on, fellows, don't let that sweet little gal back home down, give her a chance to earn the distinction that she deserves. Get her picture and enter it *today*.

BILL HARRIS ELECTED SECRETARY PREP SCHOOL YMCA ASSOCIATION

Recently twelve members of the Augusta YMCA attended the annual meeting of the Virginia Prep School "Y" Association. Bill Harris brought added honor to our school and "Y" when he was elected to the Secretary for the coming year.

FOOTBALL AWARDS

In previous issues it was omitted that Cadet Russel Simmons was awarded the Annual Gold, Football for being the outstanding player throughout the 1945 season. To Bobby Bowie was awarded the Silver Football. Both of these awards were made by Major C. S. Roller, Jr. on Friday evening, December 17.

MAJOR C. S. ROLLER, JR. WINS POSITION ON ALL-TIME FOOTBALL TEAM

In an election sponsored by the Richmond Times Dispatch, Major C. S. Roller was elected as the All Time Quarterback for V.M.I. With 362 votes, Major Roller had only two men to get more votes than he did at any position. This speaks very highly of our Commandant, and we want him to know that we are proud of him. The other members of the All Time Team were, Carlton, Summers, Walker, Ferguson, Johnson, Youell, Mason, Muha, Leech, and White.

Major was in the class of 1901 at V.M.I., and in the words of the Richmond paper, "the old-timers who know football tab him (Major Roller) as one of the smartest, most versatile backs the institute has seen."

EDITORIAL

Much hard work was put into this year's Recall and Bayonet, although much more could have been put in if we had a larger staff. This year the two publications were put out by the same staff. The Recall this year is wonderful but we want next year's to be even better. In order to do this we must have several volunteers who are coming back next year for the staff of the Recall and the Bayonet of 1946-47. You need not be experienced because the work is easy to learn. The work will prove interesting to all taking part in it. It gives one great satisfaction to see the product of a year's work finished and enjoyed such as the Recall. Anyone who is interested please see Major Hoover or Cadet Moerschell.

It seems like while the fencers were on their recent trip to Navy, they all picked up new Nick-Names. "Denny" Bowie, "Pro" Brewer, "Knute" Smith and "Mastro" Griner. All the rest got nick-names, but we can't print them.

Ask Griner what he thinks of the George Washington Bridge.

We would like to formally apologize to Cadet Wreden for the blasphemy in the last issue.

Nash, I hear that they are having a sale on dictionaries in Staunton. Better pick yourself up one, or Coach Koogler's gonna hate you.

If you see Larus on the way over to the Infirmary, it's cause he found somebody to grapple with.

"Maestro" Griner recently gave a concert for a group of fortunate Baltimore citizens. A prominent Eastern

Shore musician consented to play a duet (Chopsticks) with him.

What say, "Proxie Paul."

Recently when the wrestling team visited Woodberry, a wide-eyed student of that education institution came up to one of our cadets who was wearing an Honor Company Ribbon and asked, "Were you really in the defense of the Phillipines?" And the loyal son of Augusta, in his usual daze, sleepily asked, "What do you mean by that remark? The tart answer, "That ribbon is a close take-off of the Army's Phillipine Ribbon."

They are working hard to get the Mess Hall reseated . . . in time for next years corps.

THIS IS THE ARMY AS McCURUM FINDS IT.

Page McCrum, A.M.A. 1945 writes back from Austria some side lights on life in the U. S. Army which show "Mac" still finds life worth living. His present address is Pvt. P. N. McCrum, 35997528, Cn. Co. 232 nd. Inf. A.P.O. 411 and he would like to hear from some of the fellows.

The following excerpts from his letter show the rugged life he is living.

"Left Arnberg Sunday and arrived in Salzberg Monday. The box cars sure were crowded. There I was assigned to the Canon Company and sent on here (Kapoon, Austria).

"Now here is where the part starts which you won't believe but she's the fact. We live in old "liberated" homes. Two other fellows and I have a room with comfortable bed, running water and a private tile bath. Our Mess Hall looks like a Hunting Lodge with deer horns etc. all over the place. There is no K. P. because Austrian civilians are hired to do the work. It's just like a restaurant.

"The country is beautiful. Mountains go straight up and they come straight down. There is always an old castle stuck up on them some place.

"We guard power stations in the mountains. Some duties require going up by ski lift in the mountain but there is no hard task.

"We cleared out another "liberated" building to make a Club House and we plan to take correspondence courses to help along.

"At present I am on guard at the power plant pulling 24 hours on and two days off. All I do is sit in the steam heated office and check passes.

"They are conducting a skii school and I have put in for that. We fellows get to try skiing on our own. We also get to do a little hunting on time off. I am planning a little deer hunt my next time off.

"Forgot to mention: The fellows in

our battery chipped together and hired a Russian to mop our floors and keep the fires going. It sure is a rugged life but I guess it will not last forever because they move the companies around a lot. It is rumored we will go to Vienna in about three months but those are just army rumors and don't mean anything.

"There is a fellow in the battery from Lynchburg and one from Harrisonburg. I room with a fellow from Bluefield, etc., etc."

PRESENTING COMPANY "E" of AUGUSTA'S BATTALION

This is to present to the Corps one of the best little companies in the history of the school. Company "E" this year is a real improvement over any of years before. The officers and non-coms are doing a bang-up job with the juniors, which is no small thing to say.

The captain of the company is Cadet Wilson, with Cadet Layne as his executive officer. Following these two men up are Cadets Milliard and Smith BM, who are in charge of the two platoons. The non-commissioned officers are as follows; St. Clair, Mohler, Warne, Cooke, Jester, Cooper, McClintic, Treasler, Uhler, and Tinder. Even though they are suffering under the handicap of having the smaller boys in their midst, they have won the ribbon once and inspection once.

The officers, non-coms, and privates deserve a world of credit for the job they are doing, and in the case of the junior company, earnest endeavor has been rewarded with excellent results.

HEADQUARTERS COMPANY MAKING OUTSTANDING RECORD IN 1945-46

Cadet Captain Leventen is to be commended

Much to the surprise of all concerned the C.W. Company has turned out to be one of the best companies in the battalion. In years past, the C.W. Company has been the underdog in all competition except athletic, but this year, they are leading the school in almost every field. Those boys deserve more praise than we can possibly give them, for they do about fifty times more work than the average barracks boy thinks about doing, yet along with this extra work, they have still had time to develop into a really fine military organization. This speaks very well for their captain, Edward Orlinn Leventen, and the rest of the commissioned officers, who are; First Lieutenant, Crosby, Second Lieutenants, Humphreys and Eddy, and the First Sergeant is Bobby Rhea. The two platoon

sergeants are Heatwole and Luciano, with Hines R, Sumner, and Penny as Sergeants. The Corporals are Fifer L, Fifer E, Hobson, Slusser, and Reynolds, and Hines R.

All these men share in the honor of turning out one of the best Head Quarters Companies in recent years. They have won the Monday Inspection five times, the Red Ribbon four times, and have placed first in the Company Competition for the campaign ribbon once. The average age in this company is eighteen years.

With this record, we wish to say to the C. W.'s "Congratulations!"

Presenting . . .

GENE CROSBY

This is supposed to present Gene Crosby to the Corps, but how can you present someone that everybody already knows all about? In football, he distinguished himself on every count, being co-captain of the team. In boxing, he was captain of the team last year, and finished the season undefeated. In his military life, he has risen to the rank of First Lieutenant in three years.

He is one of the most popular boys in the school this year, being quiet and unassuming in manner, but always ready to help a fellow out when he needs it. Gene deserves a lot of credit for the wonderful work he has been doing, keep it up, Gene, you'll go a long way.

JIMMY SAXON

One of the "brains" in school this year is Jimmy Saxon. He's a smiling, likeable sort of a guy who lives up there in 307. He started off on the right foot here at Augusta, winning the medal for being best in Latin his first year. That's really some accomplishment for an unknown new cadet.

His second year he attained the rank of corporal in the honor company for that year, A Company. This year he is a platoon sergeant in the same company, and is doing a darn good job.

His first two years, Jimmy played J.V. Basketball, but this year he is devoting his afternoons to studying, unless the weather is good, and then you will find him on the golf links with his golf team, of which he is captain.

Yes, Jimmy has made a lot of friends here at Augusta, and it will be tough to say goodbye to him when June rolls around.

HAROLD LEVER

One of the quietest, but still the most triflesome boys in school this year is "Whitey" Lever. He started out right his first by making a major

monogram in swimming. This is his third year on the swimming team and he has really proved himself an asset to that team.

His first year he was a private in the Honor Company for that Year, company D. His second year he was promoted to the grade of Corporal, and this year, he is a Sergeant in C Company.

He has been in the Monogram Club every one of his three years, and has taken an active part in all social military functions. We will all shed an extra tear when we say so long to "Whitey" Lever this June.

AMA 13 VMI 23

In the meet with V.M.I., we gave them a run for their money, and although they beat us this time, there is hope that we will come out with a victory in the return match. The score at the end of the bout was AMA 13, VMI 23.

Callahan lost by a close decision in the 121 class, and Tompkins won by a fall in the 128 pound class. Greshaw lost by a XXX fall, and Mayer took a decision. Adleberg then won his match by a fall, and Wolfe followed with a loss by a fall. In the unlimited, Larus lost by a fall, and in the Exhibition Bouts, Gregory lost by decision, and Crawford won by a decision.

AMA 0 WOODBERRY 28

On February 5th, AMA's grapplers lost their first meet of the season. In the 105 class, Malloy lost by a decision, and Callahan followed with same. In the 128 Tompkins lost by a decision, and Barnes lost by a fall. Then Mayer lost by a very close decision. Adleberg next lost in a very thrilling match. Thompson lost in the 165 pound class by a fall. Rhodes followed this with a loss by decision. As a whole, the cadets did well, considering their opponents.

AMA 5 WOODBERRY 22

After Woodberry defeated Augusta 28-0 in the first match with them, we came through the second meet with a total of 5 points to Woodberry's 2. In the 105 pound class, Malloy won by a decision. In the 121, Callahan lost a decision. In the 128 pound class, Crenshaw lost by a fall. Barnes next lost by a fall in the 135 pound class, and Mayer followed with a draw in the 145. In the 155, Adleberg lost by a decision. Crawford, at 165, was beaten on a decision. In the 175 pound heavyweights, Rhodes lost by a fall. Final score; AMA 5—Woodberry Forest 22.

The Blue and White grapplers handed VSDB another defeat 22-6. In the first bout, Reynolds lost by a decision, but in the second bout, Malloy beat his bout by a decision. In the 121 pound class, Callahan lost by a decision. Crenshaw in the 128 class, won over his opponent by a decision. In the 135 pound class, Tompkins pinned his opponent. At 137, Barnes won by a fall. Mayer won his match by a decision. Adleberg defeated his opponent by a decision also. In the exhibition bout, Restum lost to Dwoks.

THE ADVENTURES OF STUBBS PARKER

Well, here we are again, bringing you another episode of A.M.A.'s Lou Lou. In our last issue, you remember, we left Stubbs sleeping soundly in bed at the White House, when suddenly he was awakened by none other than his commandant.

"Son, Son, wake up this is your commandant. What do you mean by sleeping through Sunday morning inspection?" Major said, shaking Stubbs vigorously.

Stubbs jumped out of bed, and stood at attention in his pajamas.

"Good morning, sir," he replied saluting Major with his left hand.

"Aw son, and one of my best boys, what the (censored) do you think you are doing?" Major inquired.

Why, Major, don't you remember, you gave me your car to go to the Army and Navy football game. We met at the White House, and we were about to be introduced to the President. Stubbs replied.

No, no, son, that was my secret mission, and besides the Army and Navy game was two months ago." Major left Stubbs with a troubled mind. (by the way Stubb's mind is either puzzled or blank all the time.)

Getting dressed, Stubbs rushed out side to breathe in some of the healthful Ft. Defiance air. Seeing every one hurrying by to practice sports, impressed Stubbs, so he too tried out for the wrestling team. For one solid week, Stubbs trained, running to Mt. Sydney every afternoon (eating a chicken dinner at the Dirty Duck—just gumming up trade).

The bell rang, and the monster grabbed Stubbs. This time Stubbs sailed right past Major Hoover, just like a bullet. "Bullet" thought Stubbs, "Why don't I go out for the rifle team."

After recuperating from his bout, Sergeant Powell signed Stubbs up for the "A.M.A. Sure Shot" rifle team.

"All right now, My boy, all you

have to do is aim at those little black things, and we will see how good you are." Sergeant Powell ordered.

Stubbs looked down the range, and again he saw lights, only this time they didn't blink.

"If I do, Sergeant won't like it," thought Stubbs.

Blazing away with surprising accuracy, Stubbs hit every one.

"Oh, lookie, yelled Stubbs, "Now I am sure to make the team."

His happy shouts were suddenly disturbed by a strong tight feeling at the throat. Sergeant Powell wasn't thinking the same thing. Stubbs was picked up bodily and out the door he went. This time, due to the condition that doors are hard to get, they opened the door first.

Dusting himself off, he got to his somewhat shaking feet. Turning the corner, he was stopped by Coach Chapman.

"Well, just what we need, a basket ball player. You are just the type." Said Coach. Was Coach kidding, or is A.M.A. beginning to have an effect on him? You will want to know (We hope) so be sure to read our next issue.

It was such hard work practicing every day and working out with Major. Finally he was ready for the meet with V.S.D.B.

Jumping on the scales he found that he topped them at 275 pounds (Cornelous's big feet were planted on them from behind, for he was trying to read them over Stubb's shoulder.) That convinced Stubbs that he was a man, for just think, as little as he was, and weighing 275 pounds.

Stepping on the mat, Stubbs shook hands with his opponent, a small guy.

"How much do you weigh, bud?" asked Stubbs with a hopeful sound in his voice.

"I weigh 235 pounds" was the growling reply from the tough looking character.

"Ha, Ha, you haven't a chance. I weigh 275 pounds, Smallfry. Stubbs was convinced now that he could beat him. A loud ring came from the bell, and Stubbs rushed into the field of battle to throw his man. Suddenly Stubbs noticed that they had painted the ceiling. Gee what pretty lights, they blinked off and on too. The referee tapped Stubbs on the shoulder and announced the little fellow, Stubb's opponent the winner. (Quick wasn't it?) "Oh, well," thought Stubbs," the referee was most likely paid; I was sure to win.

Again, he trained, running, running, and running some more. (makes me tired to think about it). Woodberry Forest was the next match, and Stubbs

was certain that he would win. Walking onto the mat, he looked up, up, and up, and finally saw the top of his 6 ft. 7 inches tall opponent.

"Let me out of here" begged Stubbs as he fled for the door. "I always studied my Spanish, didn't I." But Major Hoover stood by the door, and with that shining fencing foil waving back and forth he convinced Stubbs to go back and fight.

POLY LOSES TO SWORDSMEN

While in Baltimore, our fencers were lucky enough to be able to have a practice meet with Baltimore Polytechnical Institute. This was a very close meet, and when the final scores were tabulated, it showed that AMA had scored 34 points, to Poly's 32. Bowie started off with a 5-2 win, and Smith MC promptly lost 5-2. Ducey then followed with a 3-5 loose, Field with a 4-5 loose, and then Field lost again, 3-5. Ducey then won 5-3, and Field won 5-0. Bowie lost the last match of the meet 5-2.

This was a very interesting and close meet to watch, and good sportsmanship and skill was shown by both teams.

Fishburne Military Academy hoopsters defeated the blue and white in their first meeting of the season 53-41, at Waynesboro. The FMA cadets held the lead from the first and the score at half time was 29-13. At the end of the third stanza the score was 46-20.

Koellmer paced the Augusta hoopsters with 18 points followed by Horne who collected 10.

NAVY TOPS AUGUSTA RIFLEMEN

Recently, the A.M.A. rifle team lost to an eagle-eyed Annapolis team 1276 to 1344. The 68 point difference is not a great margin at all, and our team feels that they did very well considering the opposition. The following are the individual scores: Wright-259, Huntsberry-256, McClintic-256, Lea-253, Ritz-252, McLoney-241, Larrick-238, Howard-236, Bangsberg-233 and Barber-231. Good shooting, fellows.

JIMMY LEA

The Captain of the Rifle Team this year is Jimmy Lea. Hailing from Norfolk, Va., Jimmy has made quite a name for himself with the .22 caliber "firestick." He earned the distinction of being the only member of the team to receive a Major Monogram in that sport last year.

In the four years he has spent at Augusta, he has risen to the rank of First Lieutenant of Company C. Maybe that is the reason that C Company is the success that it is this year.

He was a private in Company D his first two years, advancing to First Sergeant of that same company his third year, and this year moving to his present position in C.

Jimmy's picture will be among the seniors this year and a lump will surely come into our throats when we have to say good bye to Jimmy Lea.

MEMORIAL SCHOLARSHIP PLANS TO PERPETUATE IDEALS OF COL. THOMAS J. ROLLER

Faculty and Cadets Join in lasting tribute to Co-Principal

Immediately upon receipt of news of the passing of our beloved co-principal, Col. T. J. Roller, it came to the minds of many and one faculty member suggested that we found a scholarship to perpetuate the lofty ideals that so endeared "Uncle Tom" to all those who came in contact with him. He conveyed this same idea to the company commanders and they at once endorsed the suggestion and through the medium of the officers of the student body brought the matter to the attention of the cadet corps. The faculty held a special meeting and they heartily agreed to cooperate with the cadets in honoring a scholar. Subscriptions to the fund have already begun and it is expected that the fund will reach a sizeable proportion by April 2. The faculty will meet later to determine the administration of the scholarship. The **Bayonet** will bring full details in the first issue after our return from the Spring Recess.

SPORTS

BASKETBALL RESUME

Greenbrier 41—Augusta 40

Greenbrier Military Academy coming down from West Virginia to play the second game of the season with Augusta, defeated the Blue and White 41-40. It was a real nip and tuck game up to the last seconds of play with no team taking advantage of a good chance to take the lead. In the closing moments of the game, Gilboff received his fifth foul and was removed from the game as he watched the man he fouled throw in the tying and winning points to take the game. Koellmer and Horne were high scorers.

Randolph Macon 41—Augusta 46

Randolph Macon was set back on its heels 46-41 by the A.M.A. five. Bill Koellmer, in the last quarter, went out on fouls as Billy Horne tripped and sprained his ankle. There was nothing for the remaining five to do but to freeze the ball which they did successfully for three long minutes. Horne and Koellmer were high scorers with 16 and 15 respectively and Gliboff following up with seven.

Hargrave 30—Augusta 26

On the Hargrave court, Augusta went down to defeat without the aid of Billy Horne, 30-26 in an overtime game. In the third quarter bad luck came to Augusta when Koellmer and Powell fouled out of the game weakening the team considerably. After this our boys just couldn't get started and lost in a three minute overtime period. Koellmer and Gliboff were high scorers with eight and five apiece.

Randolph Macon 45—Augusta 55

Bouncing back after the Hargrave defeat, the Blue and White whipped the Randolph Macon five, 55-45. The game was jumping from one team to another when Pigg threw in an important foul shot to put Augusta in front by one point. This was followed by shots by Pittman and Gliboff and Augusta took a ten point lead. Gliboff was high scorer for the Chapman men with 14.

Fork Union 42—Augusta 43

Fork Union came to our court with a new team of six footers. Despite this handicap, A.M.A. came out on top 43-42. All members of Augusta played excellent ball under both backboards. Koellmer was high scorer with 13 followed by Horne and Powell with 11 and 9 respectively.

Fishburne 49—Augusta 38

The final game of the 1946 season ended by a 49 to 38 setback at the hands of a Fishburne five. Augusta was playing against a fast and experienced team and did well.

Before the largest attendance we have seen thus far this season, the Harrisonburg Streaks handed the blue and white a 42-20 beating. The streaks scored four points before we could even sink one. The first period was nip and tuck with the visitors coming out on top at the end of the frame, 11-5.

In the course of the next quarter AMA found the basket working their way as well as it had been for the visiting five and the half time found them training the visitors, 20-14.

When the third section of the contest came around Harrisonburg came back strong and took a 13 point lead over the home courtmen.

Augusta slackened its efforts in the last quarter and the Streaks made eleven points and the blue and white made only 2 points. The final score, HHS 42, AMA 20.

Prior to the varsity game, the jayvees tossed a 24-15 beating into the laps of the streaks' junior varsity. The visitors were unable to score until the second quarter. Farley and Hope paced the basketballing both for AMA each showing 8 points.

A.M.A.—MASSANUTTEN SWIMMING MEETS

The Augusta tankmen have concluded their season with a decisive victory over M.M.A. 45-20. Both groups of natators were in their top form with A.M.A. taking first place in everything but the 200 yard freestyle relay. Swimming for Augusta in their respective events were:

50 yard freestyle—Winn, Lane; 100 yard breaststroke—Seibold, Freshman 200 yard freestyle—Grove, Philhower; 100 yard backstroke—Click, Parker 100 yard freestyle—Sellers, Moncada; diving—Lever, Fotinos; 150 yard medley relay—Click, Seibold, Lane; 200 yard freestyle relay—Grove, Harding, Winn, and Sellers.

Recently, the Augusta tankmen defeated Massanutten easily by a score of 53-12. The blue and white came in first in all events and made a fine showing for their first meet. Here are the results: 50 yard freestyle—1st Winn, AMA, 2nd Lane, AMA 3rd Ward, MMA. Time 27.5. 100 yard backstroke 1st Click, AMA, 2nd Eichelaqen, MMA, 3rd Warne, AMA. Time 1.18. 100 yards breaststroke, 1st Seibold, AM A, 2nd Rosenbaum, MMA, 3rd Sax, MMA. Time 1.20. 220 yards freestyle—1st Philhower, AMA, 2nd Grove, AM A, Time 2.43. 100 yards freestyle, 1st Sellers, AMA, 2nd Greiner, MMA, 3rd Freshman, AMA. Time 1.03. Diving—

1st Lever, AMA, 2nd Fotinos AMA, 3rd Buddie MMA. Medley Relay—Won by AMA, Click, Seibold and Lane. Time 1.30. 200 yard freestyle relay, won by AMA, Grove, Philhower, Winn and Sellers. Time 1.45.

The swimmers are working hard this year so let's get down to the pool for the next meet and give them your best support.

NAVY PLEBES SINK AUGUSTA FOILSMEN

On the week-end of the second, AMA's Fencing Team, fresh from a victory over the West Point Plebes, travelled to Annapolis to meet the Navy Plebes. On this same trip we met Baltimore City College, whom we defeated 6-3. Due to car trouble, the major part of the Fencers were not there to start the meet, but an epee and a saber man started the match.

In the opening bout, Brewer lost, 5-3. Following this, Moerschell lost, 5-1. In the third bout, Bowie won, 5-2. Following this bout, the regular team arrived, and after their arrival, we lost only one bout to the Baltimore swordsmen. In his first bout, Field won, 5-3. The next bout was won by City, 5-3. Ducey then beat his opponent 5-3, and won his next bout 5-2. Field, up next, was victorious 5-3, and Ducey won the last bout of the meet 5-2. This made the final score, AMA 6, BCC 3.

AMA was not as fortunate in their meet with Navy, coming out on the bottom of an 18-9 score. In the foil, Bowie won two bouts, 5-1 and 5-4. He lost his other bout 5-3. Field won one of his, 5-0, and lost the other two, 5-4 and 5-4. Ducey also won one of his bouts 5-2, but lost the other two 5-4 and 5-2. Although we scored more points than Navy, 37-32, we were defeated in bouts, 5-4.

Epee honors were copped by Mandes, who won two of his three bouts, 3-1 and 3-2. He lost his other match 3-1. Brewer won one of his bouts by the score 3-2, and lost the remaining two, 3-1 and 3-2. Smith MC lost two bouts, both of which were scored at 3-1, and Bowie lost the remaining bout, 3-1. At the end of the epee, the score stood, AMA 7, Navy 11.
